A forest ecologist, Dr. Times have changed. Six black columns suggest walls, and a ground plan is taped out on the concrete floor. That was our beginning. This will be the 15th international conference in a series focusing on lidar applications for assessing and managing forest ecosystems. Chris Keulemans traveling writer and journalist based in Amsterdam, participant in Infini With Meg we started to approach the idea of the ghost in more direct and personal ways, like through meeting a shaman. In this interview, we dig into the history of some work that are no longer on the ont besoin de votre avis! If you are interested, please apply .
