She specialises in music therapy with adolescents, and her clinical work spans a range of community and institutional settings, from palliative care to mental health and special education. Effective Counselling with Young People. David Aldridge. FionaBallantineDykes.SellerInventory Compare all 23 new copies. Music and Music Therapy: Methods and Techniques for Clinicians of the key challenges faced by music therapists working with adolescent clients are addressed, including the constantly changing repertoire and evolving musical tastes, and the author offers practical solutions for overcoming. McFerran's writing is genuine, inspiring, and certainly reflects her passion and understanding of work with young people.

When guided effectively, the relationship between adolescents and music can be a powerful tool for healing and growth. Her closing remark is a hope that others will find some fun in helping young people through the use of creative, therapeutic activity.
