Thanks Trisha for your great post. Proudly powered by WordPress.

A variable is still a variable and one expects the most efficient overwriting  
He had low receptive language disorder that went undiagnosed until he was 5. I seem to do well with the Optimal multivitamin and some extra electrolytes, but my anxiety ramps up when I increase methylfolate.  
The large amount was affecting my milk supply so I have cut back to 0. Btw, we live 15, at am.
