There were gaps in the lines of men - wide ones, small ones. He explains them when the evidence permits and, in any case, counters unreasonable anti-British bias by placing the battle in its historical and operational context.

Fromelles was one of the worst disasters to befall the Australian Army in the war.

Was the aim of this battle worth the consequences? Hour succeeded hour, strength gone, hope gone, we struggled on automatically.

Other editions. The Battle of Fromelles, 19th to 20th July Adding to Elliott's problems, part of his force is not in position because of the ferocity of the German artillery. Over 90 Australian soldiers were identified by name and more may still be identified.
