### **Why are gray whales dying in the San Francisco Bay?**

A federal agency is asking property owners to help volunteer their space so dead whales can decompose.

### **Paul Gray (American musician) - Wikipedia**

But as veterinary pathologist Kathy Burek prepared to slice into the abdomen of a dead gray whale, many of her knives were dull. Burek had used them two days earlier to collect samples from a different gray whale, miles away. Scientists say more deaths are likely in Alaska.
