Start Your Recovery. Helping your loved one recover from substance abuse can ultimately make the difference between life and death. Here are a few examples: . This was a perfect piece for me to have read right. Additionally, struggling to continue living the same way without help from family or friends can also force many addicts to understand how serious the problem has gotten. Older siblings can feel resentful when a younger brother or sister gets all the attention. Denial Find it difficult to express their feelings Project their negative tr Lancer gives the following suggestions to help someone stop enabling: Leave messes as they are: Leave the addict to clean up the messes she makes while intoxicated Weigh your options for short-term and long-term pain: Will helping the addict one more time cause more pain in the long run? Many will offer money or a place to stay, some will simply be there as a

friend, and others will go as far as taking in and caring for their children.
