By Norman Abjorensen This book seeks to trace the rise of popular music, identify its key figures and track the origins and development of its multiple genres and styles, all the while seeking to establish historical context. Hirschak is an internationally recognized author and teacher in the performing arts. Billy Joel has not always enjoyed the acclaim of music critics, who have characterized his music as inauthentic and lacking a uniqueness of style.

This item will be released on July 30, I recommend this book for either public or academic libraries.
