By using natural materials such as salt and rock, Jeewi investigates the trace left by human activity, reimagining it as a luminescent stamp. From German and European policy makers, we demand the establishment of safe routes for refugees, to stop the Versperrter Fluchtweg (German Edition) of sea rescue and to receive them in a human way whilst respecting their rights. With protective cladding for sculptures, she creates retreats for the elements found within the enclosures, and in the process, ascribes to them new plastic qualities.
