The biggest red flags are words like never, always, should, or everybody. You can then reverse this type of thinking by engaging in positive self-talk. When you assume you know what others are thinking or feeling about you, you judge that their thoughts or feelings are negative, and then you berate yourself because of this judgment. You can only model positive behavior for your kids and hope that they will one day gravitate towards what is right.

Consider the fate of a permanent and oppressed minority. Minds Articles.
