The leader, an individual or a nation, occupies the primary place in the activities, operations and actions of the groups, societies or states. Nigeria has for years made Africa the focal point of its foreign policy.

The quality of leaders has become a major issue in the establishment of the den  
How does the above narrative apply to Nigeria? It is engraved in our cultural approach to the pursuit of our foreign [policy] objectives.

They are increasingly involved in policy formulation and implementation. A building nationalism is not without its difficulties. The book presents and explores themes and content of Youth Day Messages: how these messages tied in with, or veered away from, key events and issues of the time; how they served as a platform for West Cameroon governments, and the Ahidjo and Biya regimes to articulate their political vision, justify their policies, sell their respective ideologies to the youth; and what lessons could be drawn from them on competing, conflicting and complementary perspectives on youth agency in Cameroon and Africa.
