Although people generally consider it less sexist than man, it is usually better to use a different expression, such as human beings with a plural verb or humankind with a singular verb : Humankind has always dreamt of happiness ... The Man for Mankind to Mankind has The Man for Mankind dreamt ... Remember, " Some men are female. The issue of gender-neutral language reemerged recently in the form of a publicized incident involving a college student who was mildly penalized for the use of the term mankind in a paper she wrote for a class. To find out, I spoke with several scholars who study the history of the English language and linguistics – and even consulted an etymologist with the Oxford English Dictionary.
