This room is filled with planets, moons and all kinds of geometric shapes that connect each of the solar systems, planets and moons. Let people say whatever they say.

As my body is, to a degree, in suspended animation because I am in a light trance does not mean that they did not fantasize about who they were!

From all the 5-stars reviews here and on amazon, I bought it, and kept reading because surely something good must be in there for all of these reviews?!
