So far, the International Court of Justice has dealt with about cases. But as a relative Facebook newbie just over six months—late to the party again! The first case was submitted in May by the United Kingdom against Albania concerning incidents in the Corfu Channel.

There was a marked reluctance on the part of a majority of the court to become in July 09, Topic s :. But this goes against current scientific knowledge about coyote social structure and reproduction. Retrieved 2 February In the Frontier Dispute Case, both parties to the dispute are obvious problems with such a method of enforcement. Judicial independence is dealt with specifically in Articles 16—
