I think hes an idiot, and made a horrible comment too, Folsom Prison Blues everyone here who keeps yelling and him, and others, and getting soo upset, is letting him know hes won. On a separate note: "self proclaimed grammar freak"'s comment made me laugh. Lovehismusic. George Baker. Of course he was a racist. It definitely think that he had his brother in mind during the writting of mos songs. I had to. Though Johnny never would confirm it rumour has it all the royalties went to the family of that man whom Johnny promised would remain anonymous. Also that ass at the top has no idea wat hes talking about obviously.
