Letters from the First World War, part one - The National Archives

A new book gathers together the most moving, intimate and fascinating correspondence to and from soldiers fighting in the First World War.

Letters from the front

Letters home from the Western Front in the First World War gave a snapshot of the horrendous conditions suffered by Ulster soldiers in the trenches. About eight o'clock I reached a field ambulance and was brought to a clearing hospital further back. There are concerts occasionally.

Letters from the trenches

A heartfelt letter home from a weary soldier in a muddy trench in Flanders. A hastily scrawled note from an exhausted nurse on Lemnos to her mother in Ballarat.

I pulled the trigger, missed the rat, blew a shower of dirt all over the table, my mess tin and rations, Letters From The Trenches deafened myself, lost my temper for fair, had a half dozen fellows run down to see if I was trying to commit suicide, and all for. What training was carried out before they were sent to fight?

I miss you more over here than I ever did in France It was found impossible to make any advance in our quarter, so I dug myself in and awaited events. I wonder how long it will be before we have a chance to commence a New Year together in Canada The soldiers at the front need more rest.

Do you remember that you asked me to be home for Xmas? What few men there are about also describes that his fellow Canadian soldiers had carried out several successful raids and the Germans they captured "have lost all heart and are scared to fight.
