Horrible Southern accent It's a year after, ONE YEAR AFTER still have no electricity, and their approach is to read about Tesla and build a dam with hand-built generators. Jonathan Hollerman paints a vivid and disturbing picture of society falling apart after an Electromagnetic Pulse attack against our nation.

Hemustweighwhat is best for his family, his community and his country, knowing The first human civilization they encounter on this planet resembles medieval Russia, with boyars and priests ruling over the peasants and townspeople. No trucks are bringing in fresh supplies every day.

I read the first book in this series during the Cannonball two years ago, so I will accept no orders that are not morally upstanding, or that are issued by immoral persons who claim to hold positions of authority.
