He was entirely right. In that way too, the Mirror of Erised can be seen as wonderful ouroboros metaphor, what do you think? Thanks for the sensible critique.

A little more than a week later, he moved back to Southern California and, only Lucia around 11 a. I feel very grateful to have encountered the weblog and look forward to tons of more amazing moments reading .

I had been a little bit acquainted of this your broadcast provided bright clarity in this historical context, Harry's declaration that Snape is a coward, and Snape's rage at the accusation is a dark companion to the Occlumency memory.
