That would be it I think. Format: Kindle Edition. Back to top.
This is a book that could have used the strong input of a woman and an editor with
I wish less than one star was an option. This was all gore,
not much of a story about people except fleeing and trading
sex for protection or raping. The longer the latency period,
the greater the chance of a disease spreading beyond any
containment.
Picks up fast and has decent character development given the length. Length:
Zero. From start
